This article/product has been assessed for SVHC compliance based on information provided by the customer. This certificate applies only to those articles as described in report STL/57165. The articles in question comply with the requirements of the current SVHC list issued on 19.01.2021, in that they do not contain SVHC at levels greater than 0.1%w/w. Any subsequent variation in the production of this article/product (this includes changes in raw materials, chemical usage or processing), invalidates this assessment/certification. This certificate is also invalidated as soon as the next version of the SVHC list comes into force.

Report Number: 57165

Certificate Number: 24534

Date of Issue: 05 February 2021
